A NOTE FROM CHUCK REY

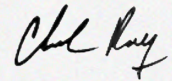

What an incredible year it has been to be a Winthrop University Eagle! From the classroom to competition, our student-athletes continued to raise the standard of excellence. We recorded the second-highest cumulative GPA in school history, with nearly 80% of our student-athletes earning a 3.0 GPA or higher, more than 50 earning a perfect 4.0, and two Eagles receiving the prestigious Big South Christenberry Award — the conference’s highest academic honor.

Our Eagles also soared competitively across every season. Volleyball and Softball both captured Big South Regular Season Championships, while multiple programs earned Player of the Year, Scholar-Athlete of the Year, All-American, and Coach of the Year honors. Men’s Golf finished the regular season ranked No. 1 in the conference, Men’s Track & Field claimed relay championships, and Baseball recorded back-to-back 30-win seasons for the first time since 2002. Women’s Basketball continued its success with a third consecutive double-digit win season, Lacrosse earned landmark regional victories, and Women’s Soccer posted the highest team GPA at 3.78. Across all sports, Winthrop Athletics earned more than 50 Big South Conference accolades.

None of this would be possible without YOU — our Eagle Club members. This past year brought one of the strongest membership turnouts in recent history, and the energy in the Eagle Club Room was unmatched. Members have overwhelmingly praised our new food service partner, Chartwells, and we remain committed to providing an experience worthy of your support. While rising costs and growing demand continue to present challenges, the future of Winthrop Athletics has never looked brighter. Your loyalty, passion, and investment fuel everything we do, and we are incredibly grateful for your continued support. Go Eagles!

Our Mission

The Eagle Club is the official fundraising arm of Winthrop Athletics. Winthrop Athletics relies on annual contributions by its members to offset the cost of student athlete scholarships, build and maintain first-class facilities, and fund 16 varsity sport programs. We aim to increase overall revenue and membership each year in order to keep up with the rising costs of running a successful athletics program.

Your gift helps recruit, educate and train the highest caliber of student-athletes to help Winthrop be the best on and off the playing field. The college athletics landscape is changing rapidly and now more than ever, your support is needed!

Kendall Fuller

Softball Head Coach

"The Eagle Club is more than support for athletics — it is an investment in the student-athlete experience at Winthrop University. Eagle Club support provides our softball student-athletes with enhanced opportunities for training, travel, team development, and personal growth while helping create a first-class experience on and off the field. This past season, we won the Big South Regular Season Championship for the first time in nearly two decades, and over the last three years, we’ve come incredibly close to bringing home the Big South Tournament Championship. Your support helps us continue building toward that goal while creating lifelong memories and opportunities for our student-athletes!"

Mark Prosser

Men’s Basketball Head Coach

At Winthrop, we are proud of a rich tradition of success, with championships across a variety of sports and a passionate fan base that has long been the envy of the Big South Conference. As the landscape of college athletics continues to evolve, there has never been a more important time for fans, alumni, and supporters to be engaged in the success of our programs. Today, your support has a direct and meaningful impact on the experience of our student-athletes and the continued pursuit of championships. Whether through the Eagle Club, sport-specific giving, or other philanthropic opportunities, every contribution plays a vital role in helping our student-athletes excel both in competition and in the classroom. Together, we can build upon our championship tradition, create life-changing opportunities for student-athletes, and ensure that Winthrop Athletics continues to thrive for generations to come.
