Winthrop University

one of America's best

where students live, learn and lead

Founded in 1886, Winthrop University is rated as one of top regional higher education institutions in the nation. The picturesque campus is ideally located in the beautiful upstate section of South Carolina in the growing city of Rock Hill and only 30 minutes from uptown Charlotte, North Carolina.

With its 100-acre main campus and 300-acre athletic complex, Winthrop is home to a student body that numbers nearly 6,400. Unique academic course offerings and modern, well-equipped facilities guarantee a national-caliber education. Winthrop, students excel in an academic environment that is second to none.

'We are Eagles, come fly with us'

Dr. Jayne Marie Comstock became the 10th president in Winthrop's 128-year history on July 1, 2013. She, her husband Larry A. Williamson and Cocoa, their 9-year-old Chesapeake retriever, now make the President's House at Winthrop their home.

Comstock has extensive experience as a senior-level academic administrator and a national reputation in the area of higher education leadership. Most recently, she served as the director of the Executive Leadership Group for American Council on Education (ACE) in Washington, D.C. Prior to joining ACE, Comstock served as the chief academic officer at three different universities, most recently at Butler University.

Academic & Student-Athlete Services

Winthrop Athletics is strongly committed to the welfare and support of its student-athletes through its Academics, Student Services and Compliance offices.

A variety of resources are available to student-athletes in the Rock Hill Coca-Cola Academic Resource Center which is housed in the Winthrop Coliseum. The academic staff works closely with its student-athletes throughout their entire experience at Winthrop to ensure their academic success.

CHAMPS/Life Skills Programs

The CHAMPS/Life Skills program provides Winthrop student-athletes with personal development opportunities that challenge and enhance the collegiate experience. The program

is designed to provide leadership and service learning experiences. In addition, programs and seminars address career development, and academic and personal pursuits.

Athletic Training

Winthrop provides five full-time certified athletic trainers along with three graduate assistant trainers who are dedicated to attaining excellence in all aspects of sports medicine.

Led by the veteran head athletic trainer Jeff Lahr, the staff works hard to deliver the highest quality health care to all of its student-athletes. Lahr, the Assistant Athletic Director for Athletic Training, is in his 19th year at Winthrop. The full-time staff of assistant athletic trainers includes Daniel Lundy, Charlie Hart, Amber Radtke and Eby Krebs. Several students enrolled in the University's athletic training program are also involved in helping with daily training room and game management duties.

The University athletic training department is teamed up with Dr. John Temple, a former member of the Winthrop men's basketball team who serves on staff at Ortho Carolina, to provide the best healthcare for its student-athletes.

Strength & Conditioning

Since Winthrop began its Strength and Conditioning program a little over 10 years ago, it has become a key component to the success of Winthrop Athletics. The program was created to aid in injury prevention and improve athlete performance. All student-athletes receive personal instructions and attention from head strength coach Hayes Galitski and his staff that includes assistant coach Todd Riedel and graduate assistants.

Galitski is responsible for designing and implementing the strength and conditioning programs for all 18 sports teams. He works closely with each individual coaching staff to design a program that is geared for that particular sport.

Winthrop offers a modern and well-equipped strength and conditioning facility in the coliseum as well as the baseball stadium.

2007 Big South

Champions

In 2007 the Lady Eagles broke 13 school team records, including most wins in a single season with 50. The program made its first ever trip to the NCAA Regionals and picked up its first ever wins in an NCAA Regional by knocking off Furman and North Carolina.

The season included wins over Georgia, Purdue, Wisconsin, Pittsburgh and South Carolina. The team captured the 2007 Buzz Classic hosted by Georgia Tech. Lisa Kingsmore became the school's fifth different player in history to finish a season with a .400 or better batting average. Jenny Scrymgeour set the school record for RBI in a single season with 60. The team also had winning streaks of 11 and 10. Individually, Winthrop combined to earn 28 awards.

2008 Big South

Champions

In 2008, the Lady Eagles defeated Liberty 6-1 in the championship game to capture its second straight Big South Championship. The game was played at Terry Field, giving Seniors Stephanie Reid, Sarah Magee and Izzy Trotter victories in their last game on their home turf.

The team won 36 games (86 in two seasons) while earning victories over #18 Oregon State, Georgia Tech, Auburn and Rutgers. Winthrop was 14-1 in league games, posting the most conference wins in a single season in school history. Cari Wooldridge earned Big South Conference Tournament MVP honors for the second straight season.

2014 Season Outlook

Eagles Look For Return To Big South Title Game

The Winthrop softball team is coming off the program's 13th Big South Conference championship game as it finished as the 2013 runner-up, falling in the title game to Longwood.

Head coach Mark Cooke feels he and his staff have assembled a team to make another run at the Big South title in 2014. Last year's team was very dependent on the long ball as it broke the school record for home runs in a season with 64 (previous record was 52).

While the Eagles do return a couple of starters with some proven power, Cooke feels the greatest strength and difference with this year's team will be speed and athleticism. "This is going to be a speed team. I think the strength is our legs, these kids can fly."

In 2013 the Eagles batted .271 with runners in scoring position and Cooke feels the team left too many runners out there.

"This team will not be betting so many home runs but they will put the ball in play with runners on base and make things happen," added Cooke. "That's our goal is to challenge opposing defenses to throw us out. In the fall games and spring practices that has been our focus. We're finding ways to drive them in and I think that's our biggest improvement."

Cooke will have to deal with the departure of one of the most decorated players in school history, Chelsey Schoenfeldt, as well as Kathryn Eberlin, Teja Durante and Jenna Harbin. The four of them spent the majority of their careers as starters. Schoenfeldt set the school record for home runs last season with 17 as she also finished one shy of the school single-season RBI mark of 60. That group accounted for 224 runs, 52 home runs

and 243 RBI during their careers.

Filling their shoes will be an obvious tough task but Cooke feels he may have more depth than any team he's had. "We have more viable athletes this year. We could start 14-15 players and not lose a beat. I think the strength of this team is the versatility of our players. I think we have one of the deepest, strongest team's we've ever had."

As for a starting lineup, only a couple of roles may be solidified as Cooke says competition has been strong as a lot of kids are stepping up. So expect to see different lineups over the first few weeks as the team starts to form its identity and starters.

MILESTONES

The Winthrop softball program is closing in on 1,000 victories as it currently boasts a record of 984-793-3 all-time. The Eagles will play in the program's 1,800th game this season, which is schedule to happen against Connecticut at home on Mar. 7 at 5 p.m. Another milestone that could be reached this season is the 750th win all-time for Cooke. He has 739 victories in his 28 seasons entering this season. Last season he passed 650 wins at Winthrop when the Eagles defeated

IN THE CIRCLE

Last season sophomore Sutton Watson was forced into more innings than originally expected as the staff dealt with several injuries over the course of the season.

Watson had over 100 more innings pitched than any other Eagle and finished the year 17-15. Schoenfeldt was also in the rotation but battled an injured shoulder and

only made 19 appearances with 12 starts. She finished second on the staff with 82 innings but is the only arm not returning this season.

Cooke feels Watson had a great sophomore campaign, her first as a starter, and can be even stronger this season. "Sutton is going to keep us in the game. She's going to challenge people. She really worked hard to improve her game and I feel she got a lot better in the fall."

Watson as the edge to be the top starter but Cooke has the competition wide open as he plans to use all of his pitchers to start the season to figure out his starting rotation. Senior Sarah Allen along with sophomores Dallas King and Bradlee Holeman will be in the mix. Allen tossed 57.1 innings last year and was 2-3 but Cooke said she had a good fall as she is throwing hard and with bet-

2014 Season Outlook

ter command. King was 4-1 in seven starts before finally having to end her season with an injury. Holeman threw nine innings last season but the Nation Ford High School standout is expected to pitch a lot more this season.

Freshman Megan Winningham could also get some work in the circle as Cooke expects her to play a little of everywhere this season.

AROUND THE HORN

After being occupied the last few seasons by Eberlin, the competition for the opening at first base will be a battle. Cooke said he currently has about four viable options. One of the likely scenarios is to move Alex White, who has been starting at third the last two seasons, to first base. White finished with the third best average on the team last season (.283). She had 18 runs, six doubles, nine home runs and 24 RBI. She also tied for the team-lead with 82 assists.

Allen along with Christine DeWitt and Leah Young are also in the mix of snagging

the starting spot at first. DeWitt is moving from her catcher position to first and Cooke said she's doing a good job making the transition. Allen provides power as she finished with a home run and six RBI in 44 at-bats. Young redshirted last season as she is a power hitter with speed.

Chances are one of these four players will be hitting in the designated player spot if not starting a game at first.

SECOND BASE

This position has been junior Kristy Noble's the past two years as she's started 109 games there. Noble was fifth on the team in batting with a .252 average as she had 36 runs, five doubles, nine home runs and 32 RBI. In two seasons she has 51 runs and 48 RBI.

Pushing Noble for playing time and the starting role is sophomore Kim Ryder and junior Naomi Stevens. Ryder was used in a utility role last season and came into the game 21 times as a pinch-runner, including the Big South championship game as she

scored on a Durante single. Cooke said Ryder worked extremely hard over the summer and has been much improved. Stevens is a transfer from Indian River Community College where she hit .391 with two home runs, 49 runs, 25 RBI and 55 stolen bases.

Senior Mel Andrea, who is likely to see most of her time at right field, has experience at second base and provides depth to the position.

SHORTSTOP

This is usually a position at Winthrop that has historically produced all-conference performers and been very solid but last season Cooke had a hard time finding a consistent starter. There were four different players that started at short and it wasn't until the final 16 games of the season when Harbin finished the year off as the starter.

Cooke doesn't anticipate that sort of carousel at the position this year as Maddie Antone is the leading candidate to be the starter but a recent injury has limited her practice. Antone was a star volleyball, basketball and softball player at Kiski Area High School. Aside from earning several all-section and player of the year honors in basketball and volleyball, Antone was a three-time Tribune Review All-Section/All-Star Team selection as well as honorable mention all-state.

Stevens has experience at short as well as Winningham. Haley Zuehlke, who started a team-high 21 games there last season, will miss this season with an injury.

THIRD BASE

With White moving over to first base, there will be a new face at third for the first time in a couple of years. The candidates to compete for the starting spot are junior Kelsey Ritter and Ryder. Ritter started 16

Junior Kristy Noble hit .254 with 36 runs, nine home runs and 32 RBI in 2013. Noble has 15 home runs and 48 RBI over her first two seasons as a starter at second base.

2014 Winthrop Softball Yearbook

2014 Season Outlook

games at short and eight games at third base in 2013 as she finished with five home runs and 15 RBI, both career-highs.

Ryder is a quick, athletic player and she started two games at third last season and came in as a defensively replacement in another game. She made the most of her role as a spot-starter and pinch-runner as she finished the season with 11 runs, a home run and three RBI.

OUTFIELD

The corners of the outfield will be guarded by two seniors while sophomore Zharne Glover will patrol center field. Senior Mckenzi Corn, a preseason Big South Conference Player of the Year candidate, will start in left field. As a junior, Corn was named All-Big South after batting .408 with 45 runs, 15 doubles, five home runs and 25 RBI. She became the sixth different player in school history to bat .400 or better in a single-season. She also led all outfielders with four assists.

The other senior will be Andrea as she started 32 games there last season. Andrea has shown the ability to be a clutch hitter in her career and Cooke feels this season could be her best one yet by far. In 2012 she had eight RBI through the first seven games and then had five RBI in a two-game span on Mar. 9, 2012 before going into a slump. She finished that season with a career-high 24 hits and 18 RBI.

Glover started her freshman year in center, but couldn't get the bat going as she eventually gave way to Durante, a senior centerfielder. Glover did make 18 starts and ended up scoring 16 runs on the year as she excelled in her role as a pinch-runner over the second half of the season. She led the team with six stolen bases.

Cooke noted that Stevens could also see time in the outfield as she's a good, versatile

player and they need to find a spot for her in the lineup.

SCHEDULE

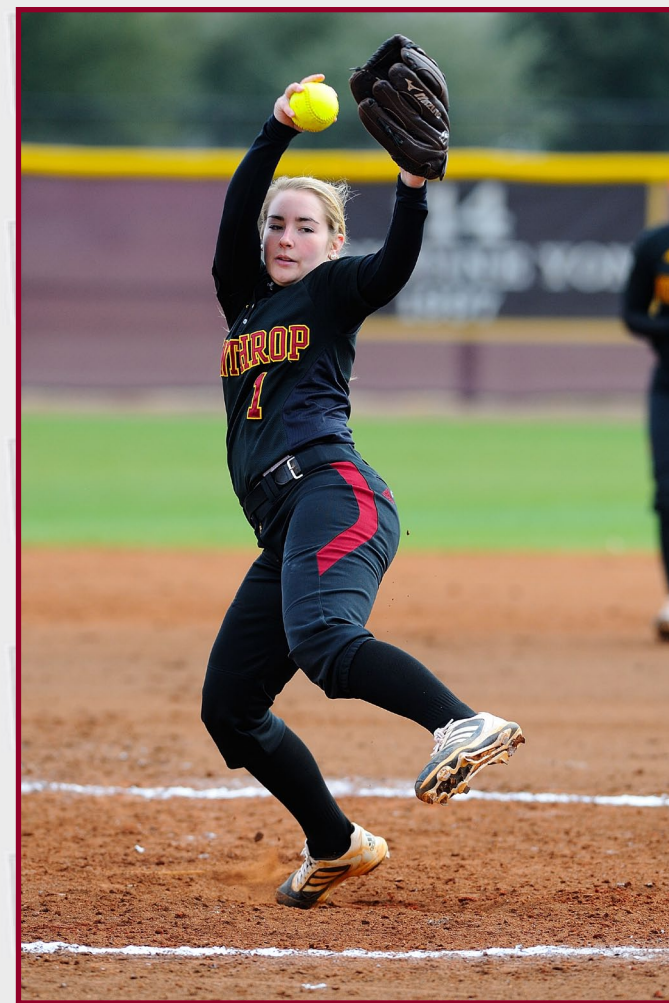

Not different from any season that Cooke has been at the helm, the Lady Eagles will once again be battle tested prior to its start of Big South Conference play in mid-March.

Winthrop faces 14 opponents ranked in the top 125 in the RPI in 2013. Of the 31 different teams Winthrop will face this season, 14 of them had winning records in 2013. Four of its opponents had 40 or more wins while 10 of them had 30 or more. Seven of the Eagles opponents finish in the Top 3 of their respective conferences.

The first 23 games are all in tournaments as Winthrop will play in the Red & Black Showcase (Athens, GA), Tiger Invitational (Auburn, AL), Spartan Invitational (Spartanburg, SC) and will once again host the Combat Invitational and the Winthrop/adidas Invitational.

Winthrop will face Georgia, James Madison and USC Upstate which all won 40 or more games last season as well as 41-game winner Longwood in league play. Some of the other notable matchups will be North Texas, Nebraska-Omaha, Western Illinois, Marshall, Loyola-Chicago, Robert Morris, Maris, Connecticut and Eastern Kentucky.

After opening up with the first 23 games away from home, Winthrop will then play its next 16 games at Terry Field. The Eagles will play 29 of their final 42 games at home.

Junior Sutton Watson pitched 185 of the team's 377.1 innings in 2013 and posted a 17-15 record with 144 strikeouts

HEAD COACH MARK COOKE

Mark Cooke enters his 25th year as head coach of the Winthrop University softball team.

Cooke, a 1989 graduate of USC Spartanburg, has turned the Lady Eagle softball program into a nationally competitive team. With back-to-back Big South Conference Championships in 2007 and 2008, Cooke and his staff turned in two of the best seasons in school history.

In 2007 he guided the team to a co-championship of the regular season with Liberty, a conference tournament championship and the school's first ever appearance in the NCAA Tournament. In 2008, the team followed up with another regular season championship with a 14-1 record in the league, another conference tournament championship and NCAA Regional.

From 2007-09, Cooke's teams posted 90 total wins that included victories over Georgia Tech, #18 Oregon State, Auburn, North Carolina State, Rutgers, Virginia Tech, Jacksonville State and Santa Clara.

In his career he's compiled over

600 victories and has a career record of 695-645-3. Cooke surpassed 650 wins in 2009 when the Lady Eagles won 9-3 at Coastal Carolina on April, 25. In his 24 seasons at Winthrop he's compiled a record of 653-666-3. He led the Lady Eagles Big South Championships in 1990, 1991, 2007 and 2008. The team has finished runner-up six times (2001, 2002, 2004, 2005, 2010 and 2013).

The 27-year veteran head coach has been named the Big South Conference Coach of the Year in 2005, 2007 and 2008. Over the course of his 27 years coaching at the collegiate level he's compiled a record of 739-713-3.

He reached the 400-career win mark with a semi-final victory over Coastal Carolina in the 2002 conference tournament. In 2005 he reached his 500th victory at home against Furman on April, 21. Cooke coached his 1,000th career game in a 4-3 victory over Birmingham-Southern in the Big South Conference Tournament on May 12, 2006.

In 2008, Cooke surpassed the

600 win mark. The Lady Eagles swept Vermont on Mar. 12 to give Cooke his 600th win.

Prior to his arrival at Winthrop in the dual role of head volleyball and softball coach, Cooke served a brief stint as an assistant at Spartanburg Methodist before taking over the head coaching reins of the USCS softball team. In three seasons at USC Spartanburg, Cooke compiled an 84-49 record with all of his teams finishing no lower than third place in the NAIA District 6.

On two occasions, Cooke's teams enjoyed rankings in the Top 20. Cooke then spent a year as an assistant coach at Northeast Louisiana University.

After seven years as Lady Eagle volleyball coach, he turned over those duties to concentrate on softball.

Throughout his career as head softball coach he's produced nine 30-plus win seasons, 91 All-Big South selections, 52 All-Tournament selections, six BSC tournament MVPs, 11 All-Region selections, five

Big South Players of the Year, four Big South Scholar Athletes of the Year, three Big South Rookies of the Year, an NFCA All-American, and two First Team ESPN The Magazine Academic All-America selections. There have also been four Academic All-America Selections by Capital One or ESPN The Magazine/CO-SIDA.

Cooke has played fast-pitch extensively over the years. Since he began playing in 1981, he has been a member of teams that have captured eight state titles and four regional crowns.

He is married to the former April Haimbaugh of Niles, MI. They are the parents of two sons, Seth, age 21, and Noah, age 14.

Assistant Coaches

Assistant Coach
DANNY PARKS

Danny Parks is in the third season of his second stint as an assistant coach for the Winthrop softball program.

Parks spent 11 years as an assistant prior and was an integral part of the 2007 & 2008 Big South Conference Championship teams.

Parks had been the assistant at Northwestern High School for five years. He brings over 20 years of softball experience to Winthrop. In 2011, Parks was the head coach for the South Pointe varsity girl's softball team.

Parks has played men's fast-pitch in South Carolina for 32 years as both a pitcher and a catcher. He has played on seven Men's Fastpitch State Championship teams, three Regional Champion teams and in five National Tournaments.

"Danny is a tireless worker who adds a lot of energy to our program." says head coach Mark Cooke.

Parks and his wife, Kathy, are the parents of two children, Chris and Jennifer.

Assistant Coach
KENDELL FULLER

Kendall Fuller is in her second season as assistant coach after being hired in mid-August (2012).

Fuller came to Winthrop after a two-year stint at Western Carolina where she was a volunteer assistant coach while earning a Masters of Science degree with an emphasis in Biology. Her duties with the Cata-mounts included coaching first base and the outfield, assisting in recruiting and travel coordination as well as practice planning, hitting and the organization/direction of camps and clinics. Fuller also served as the academic liaison between softball and academic support as well as developing and maintaining scouting reports.

One of the most notable things Fuller did at Western Carolina was designing an academic success plan resulting in five NFCA Academic All-Americans. She also coached center fielder Erin Foster, who voted to the First Team All-Southern Conference as well as an NFCA Mid-East First Team All-Region selection.

Winthrop and Western Carolina have faced off four times in the last two seasons so Fuller has a little familiarity with the Eagles. Plus Fuller served as a guest coach for Winthrop Softball Camp in 2011.

Prior to her collegiate level coaching experience, Fuller was an assistant varsity softball coach at South Brunswick H.S. in Southport, NC. She was an assistant coach for varsity basketball and the head coach of the junior varsity girls' basketball team as well.

Fuller, a 2008 graduate from Appalachian State, has been a member of the National Fastpitch Coaches Association since 2010. Fuller earned a Bachelor of Science in Biology and Secondary Education from Appalachian State.

Lisa Kingsmore (left) is the first Winthrop All-America Selection at the NCAA Division I level. She is also the only multiple ESPN Magazine/CoSIDA All-Academic Team All-America selection.

Cari Wooldridge (left) is the second player in Winthrop history to be named the Most Valuable Player of the Big South Conference Tournament two straight seasons. She is just the third person to do so in the history of the Big South. Former Winthrop pitcher Lisa Kemme and former Texas A&M Corpus Christi pitcher Sarah Pauly each earned the honor in three straight years and are the only three-time MVPs.

2014 Winthrop Softball Yearbook

Hall Of Famer Lisa (Raio) Kemme

Lisa Kemme was inducted into the Big South Conference Hall of Fame in the summer of 2003 and the Winthrop inaugural Hall of Fame in the summer of 2004.

LISA (RAIO) KEMME pitched for the Lady Eagles from 1988-1991. She is the holder of nearly every Winthrop career and season pitching record (as seen on pages 30-31). During her collegiate career, she led the Lady Eagles to three Big South Conference Championships. She also posted wins over such national powers as Florida State, Oklahoma, Notre Dame, Georgia Tech and Wichita State.

In the summer of 2003, Kemme was inducted into the Big South Conference Hall of Fame. In August of 2004 she was inducted into the inaugural Winthrop Hall of Fame.

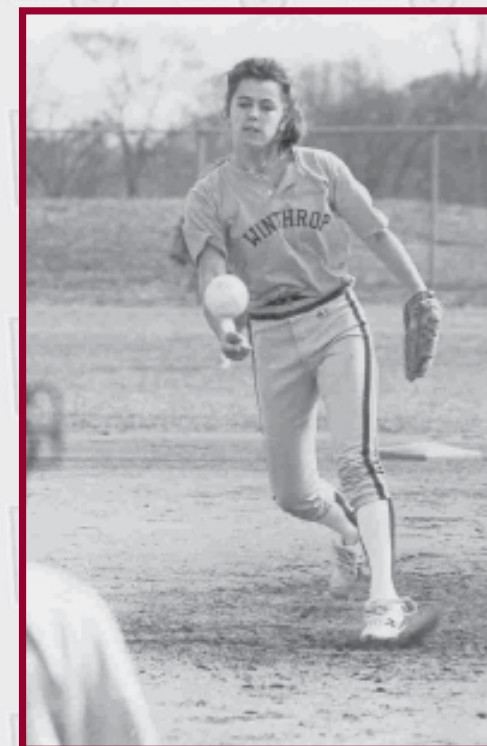

Kemme was a four-time All-Big South Conference honoree and was the Big South Player of the Year and Big South Tournament MVP in 1989, 1990, and 1991. During the summers, she pitched for the Redan Bandits and led them to two national titles while being named an All-American in 1989 and Most Valuable Player in the ASA National Tournament in 1989 and 1990.

“As a player, Lisa was one of the hardest workers I have ever met,” said coach Mark Cooke. “She was the most mentally composed pitcher I have ever seen. She always controlled every game and never gave up. I never had to coach Lisa, I simply watched her work.”

Upon completion of her college career, she has opened the Pitcher’s Mound in Atlanta, GA. She is currently teaching the art of fastpitch pitching to over 100 young girls from all over the Southeast. She is recognized as the premier pitching coach on the East Coast.

“The highest tribute I ever saw a player get was in the 1990 Big South Conference championship game. The Coastal Carolina coach Jess Dannelly called time out in the bottom of the seventh and went from the third base coaching box to the pitcher’s mound. I came running out of the dugout to explode at him for talking to my pitcher,” said Cooke. “As I reached the first base line, I heard coach Dannelly tell Lisa that she had just pitched two of the most beautiful games he had ever seen and he knew he would not get the chance to tell her after the game, so he wanted to tell her before the celebration.”

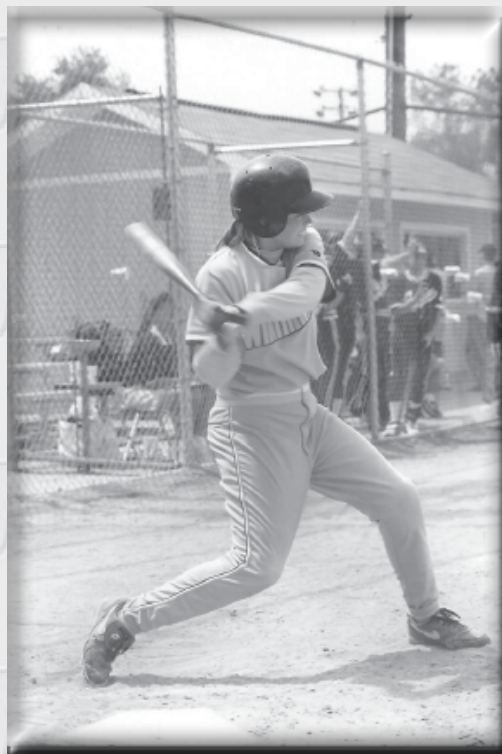

She is the mother of Stella Rose Raio, born Oct. 29, 2003.

Hall Of Famer Christine (Korver) Yon

CHRISTINE (KORVER) YON played softball at Winthrop from 1993-1997 and is one of the greatest hitters in the history of the school and the Big South.

She ranks among the Winthrop career top 10 leaders in eight offensive categories and was a two-time All-Big South Conference and Big South All-Tournament Team selection in 1994 and 1995.

After the 1995 Big South Tournament she was voted the tournament's Most Valuable Player by the head coaches and was the only Eagle on the all-tournament team that season. She helped Winthrop defeat Coastal Carolina, and Charleston Southern before finally being eliminated in game 12 of the tourney. In the win over the Bucs she hit a three-run, lead-changing home run and had four RBI in the game. She finished the tournament with two doubles, two home runs and nine RBI in three games while batting over .500.

She ranks as Winthrop's all-time leader in RBI with 145. That also ranks 8th all-time in Big South history. She is second in total hits, home runs and total bases. Before the 2007 season, she was the single season record holder for highest batting average at .410, hits with 73, doubles with 17, triples with 7 and RBI with 57. She is still on top of batting average, doubles, and triples, but her hits and RBI records were broken. She ranks 9th all-time with 14 triples in Big South history.

She is the all-time leader with 30 home runs, but played several games on fields that did not have an outfield fence. Had she done so, her career total could be a lot more.

As a freshman she started all 19 games she played and batted .500 with 15 runs, 15 RBI and a .707 slugging %. As a sophomore and full-time starter she led the team with a .331 average, seven triples, six home runs and 40 RBI. It was her junior year when she broke through and had a huge season for the Eagles. She finished with a .410 average, which is still the school record. She had 17 doubles, 57 RBI, 41 runs and only struck out six times. Her senior season she finished with better than a .400 batting average again and became just the second player in school history to finish with a .400 average or more in two seasons.

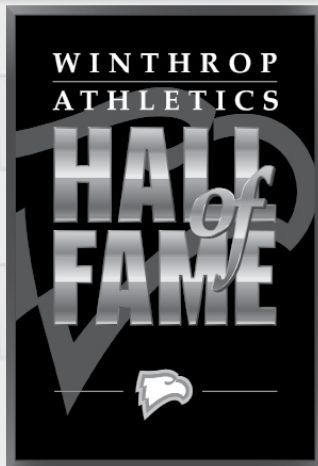

Christine is currently employed at Anderson University in Anderson, SC.

Hall Of Famer Diane (Adams) Sisley

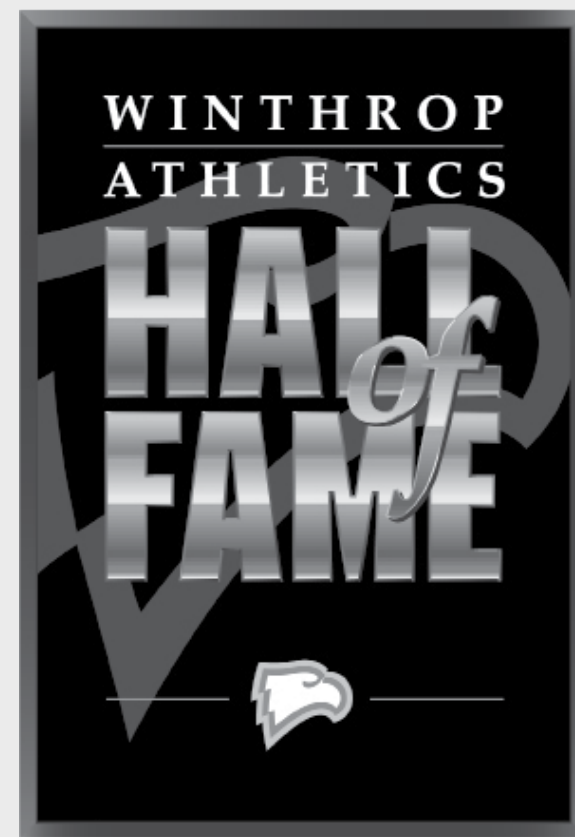

DIANE (ADAMS) SISLEY played softball at Winthrop from 1982-1986 and enjoyed an impressive career in which she earned national recognition and inked her name in the record books.

The Palms, CA native was inducted into the Winthrop University Hall of Fame on Jan. 29, 2010 and is the third softball player to be inducted.

Adams graduated Winthrop in 1986 and currently resides in Sumter, SC where she is the store manager at Petco.

During her four-year career at Winthrop she placed her name in the Top 10 of several offensive categories. She still ranks in the Top 10 career leaders in five categories-- runs scored (151), hits (200), total bases (271), stolen bases (67) and bases on balls (61). Adams was the first player in school history to reach 200 hits in a career.

For her career she earned NAIA All-American honors in 1984 and 1985 while playing the shortstop position. In 1985 she was also selected to the NCAA Division II All-South Team.

2014 Winthrop Softball Yearbook

Hall Of Famer Janiva Willis

Janiva Willis was inducted into the 2012 Winthrop Hall of Fame after an illustrious career as an Eagle.

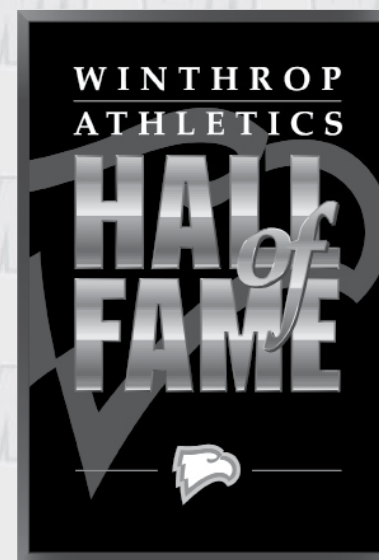

When she ended her career, Willis became one of just three players in school history to be named All-Big South four times. Her teammate Kelli Johnson did so the same four years as Willis. Fellow Hall of Famer Lisa Kemme was the first. All four years she was named to the All-Big South First Team.

In four years, Willis played 234 games recording 174 runs, 245 hits, 500 total bases, 51 doubles, 11 triples, 30 home runs, 103 RBI, 49 stolen bases, and 90 walks. Willis left the program as the all-time leader in games played, total at-bats, total runs, total hits, doubles, home runs, total bases, and walks. She also inked her name into some single-season records: most at-bats (201), runs (60), home runs (11), total bases (125), and walks (27).

In 2004 when Willis set the school record for runs in a season she averaged 0.95 per game, which ranked 11th nationally. That season she also led the Big South in runs, hits, doubles, home runs, total bases and walks.

In 2005, she was named the Big South Conference Scholar Athlete of the Year and following her senior year in 2005, Willis was named the NCAA's South Carolina Woman of the Year and was a Top 10 Finalist for NCAA National Woman of the Year.

In 2002, Willis played with the Canadian National team and later on in 2005 and 2007 as well.

2014 Winthrop Softball Yearbook

Hall Of Famer Darrylyn Alexander

Darrylyn Alexander, class of 1984, was inducted in the Winthrop Hall of Fame in 2013.

Alexander was a standout softball student-athlete, who was named to the 1984 NAIA National Tournament All-American Team. She was a three-time selection on the NAIA All-State team in 1981, 1983 and 1984 while competing as a pitcher. She compiled a career pitching record of 61-17 and a career earned run average of 1.11. She helped lead her Winthrop teams to an overall record of 122-31-1 during her career.

In 1983, she led Winthrop to a fourth place finish in the NAIA National Tournament, and in 1984 she led the Eagles to a fifth place finish in that tournament. She is now the owner and instructor of Pitcher Perfect, a softball pitching instruction company in Totowa, N.J.
